

## **‘Just one change’**

### **Exploring potential for change in Higher Education for care experienced students.**

This one-day event brings together practitioners, researchers and care experienced students and graduates to explore potential avenues for change in higher education to better support care experienced students. Emerging findings from research will be shared and space will be given for discussion regarding possible future directions for research and practice in this area.

**Wednesday 22<sup>nd</sup> November 2023, 10-3pm**

**Swansea University,**

**Union House, 201.**

Please use the Eventbrite link to register as places are limited.
