

Welcome to The Flowers – A Nurturing New Chapter for Children in Merthyr Tydfil

Supporting growth and wellbeing for
local children

Introduction to The Flowers

Welcome and Overview

Introduction to The Flowers

The Flowers offers 12 beds through four specialised children's services focused on safety and therapeutic care.

Mission and Ethos

The mission focuses on trauma-informed, attachment-aware, and neurodiversity-affirming principles to empower children.

Vision and Commitment

Committed to creating a loving, stable environment where every child can grow and thrive holistically.

Vision and Philosophy

Child Growth Environment

Children need safety, warmth, nourishment, and care to grow, similar to how flowers flourish under right conditions.

Therapeutic Vision

The Flowers envisions a therapeutic setting where children feel loved, stable, and emotionally safe through compassionate staff.

Holistic Child-Centered Philosophy

A holistic, child-centered approach integrates trauma-informed care and neurodiversity-affirming practices for healing and growth.

Tailored Support and Design

Spaces and therapeutic interventions at The Flowers are designed to honor each child's unique experiences and needs.

Overview of Homes

Ty Daffodil

Emergency Support for Children

Ty Daffodil provides immediate, short-term emergency accommodation for children in crisis to promote stability.

Therapeutic and Safe Environment

The home features a therapeutic design that prioritizes emotional regulation and creates a calming, secure atmosphere.

Empathetic Crisis Care Staff

Staff are trained to manage crisis situations with empathy, ensuring children feel supported from arrival.

First Step Toward Healing

Ty Daffodil serves as an initial safe place for children to begin their journey to healing and stability.

Ty Lavender and Ty Jasmine

Therapeutic Care Model

Both homes use systemic, relationship-based care to support healing and growth in children.

Emotional Safety and Routine

Ty Lavender focuses on consistent routines to create emotional safety through compassionate staff involvement.

Nurturing Environment

Ty Jasmine provides a stable, nurturing setting fostering trust, skill-building, and confidence development.

Family-like Atmosphere

Both homes emphasize a family-like environment with warm interiors that encourage connection and growth.

Ty Lili

Accessible and Child-Centred Design

Ty Lili features a fully accessible environment tailored to diverse physical and sensory needs of children with disabilities.

Supportive and Trained Staff

Staff are trained in disability support and therapeutic care, ensuring a safe and affirming experience for every child.

Enriching Activities and Environment

Ty Lili offers engaging activities that promote relaxation, exploration, social interaction, and overall wellbeing.

Respite Support for Families

The facility provides short breaks to families, supporting them while enriching the child's growth and social connection.

Therapeutic Facilities

Swt Pabi

Physical Wellbeing Gym

The gym supports physical health and emotional regulation through tailored exercise and movement activities.

Sensory Room

A calming sensory room designed to engage and soothe children with diverse sensory needs effectively.

Gaming Room

The gaming room encourages social interaction and develops digital literacy in a supportive environment.

Hydrotherapy Bath

Hydrotherapy bath aids relaxation, physical therapy, and sensory integration as part of holistic care.

Therapeutic Model

Trauma-Informed Care

Focuses on emotional safety and trust by recognizing the impact of past adverse experiences.

Attachment-Aware Practices

Builds secure relationships that foster resilience, self-worth, and emotional growth in children.

Neurodiversity-Affirming Support

Celebrates individual differences by providing tailored support respecting unique experiences.

Integrated Therapeutic Approach

Model reflected in staff training, environment, and routines to promote healing and growth.

Growing Together

Nurturing Environment

Children need safety, warmth, and care to bloom emotionally, physically, socially, and cognitively.

Supportive Homes

Homes serve as gardens of possibility where each child is supported, seen, and celebrated.

Journey Toward Hope

Walking alongside children toward hope, healing, and a brighter future with compassionate guidance.

Empowerment to Thrive

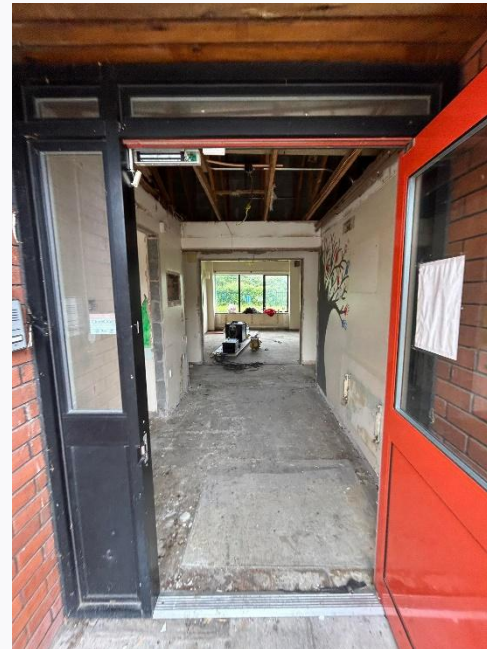

Creating spaces where children feel at home and empowered to grow and thrive fully.
